train men to our perfection takes much time. We cannot supply all dealers with Miller Tires. So our policy is to concentrate, as a rule, on the dealer in each locality who will give Miller Tire users exceptional attention.

We chose a concern that knows that to give real service it must first of all carry a full stock of sizes, so that when you want a Miller Tire in a hurry, you can get it without waiting.

We are impressed especially with their ability to give motorists an expert repair service, and by their reasonable charges.

Before making this selection we canvassed the local field thoroughly. And the Miller agents here are making good with us by making good with you. Are you getting the benefit of what they have to offer?

That governed our choice in this city.
